### SATURDAY CLASSES:

Class sizes are limited to 14 per class, so please register early to reserve your place !

Level 1: 6-8 years Weekly / 1 hour weekly

### **LET'S ACT & SING - A fun introduction to the dramatic arts**

Through storytelling, children learn to think creatively, as well as empathize with and gain an understanding of others. An experienced coach will guide them in exploring their imagination and in expressing feelings through drama. The children will use role-playing to act out short stories & plays based on diverse age-appropriate themes. Short movement routines set to music help develop physical coordination and introduce each child to music and listening skills. Through vocal exercises & song the students learn to speak with clarity, and gain in overall personal confidence, contributing to the growth of public speaking and leadership skills. A short presentation for parents & friends will take place at the last class of each session. The final class of each level 1 session consists of 40 minutes dress rehearsal & 20 minutes presentation.

Level 2: 9-13 years Weekly / 1.5 hours weekly

### **ACTING UP ! - Express your creative side, have fun & meet friends**

The students focus on producing and performing a play. Strategy and problem solving skills are gained through active involvement in scripted plays and dramatic scenes, as well as through playwriting. Role play and characterization are developed through forms such as improvisation, reader's theatre and musical theatre. Stage presence is built through the use of such tools as tableaux, positioning, stage blocking, direction and vocalizing. The students learn technical terms to communicate ideas in dramatic context. They are encouraged to use their imaginations to create fun movement routines, free-style improvisations and dance choreographies set to music. Vocal spontaneity and clarity is expressed through songs, choral pieces and vocal exercises. A presentation for parents & friends will take place at the last class of each workshop session. The final class of each level 2 session consists of 60 minutes dress rehearsal & 30 minutes presentation. During the rehearsal sessions, everyone joins in the excitement of getting ready to share their efforts with an audience. All show costumes and props are provided and each student gets a chance to select those that best meet their character's needs.

#### ***Our curriculum goals:***

*Students will work together to participate in a set of enjoyable and challenging drama, movement and music activities. Self-awareness and ease of communication will be enhanced through observation and exploration. Social interaction and participation will be encouraged by the practice of rotating partner groups. The goal is to allow students to acquire and develop performance skills, to form new friendships, and to build a sense of confidence and the capacity for collaboration.*

About e-mail & SMS: E-mail providers (Hotmail, Gmail, etc.) send a large percentage of all e-mails to Spam and Junk mail folders. We often need to communicate with parents with respect to performance arrangements, open classroom dates, changes to schedule and location, etc. By preference we send these communications via e-mail. Please be aware that these will often go to Spam and Junk mail folders. In order to be sure of receiving communications from us, you will need to check these folders regularly, and also mark received e-mails from us as Non-Spam when you find them there. Alternatively, you can add gbtc.com to your Safe Senders list, if your provider allows for this. Because of the unreliability of e-mail, we will also, at times, use SMS text messaging to communicate information about schedule and location changes, etc.

In compliance with Canadian anti-spam legislation, there is an Unsubscribe option included with every e-mail we send to you. You can Unsubscribe from our e-mails at any time. Please note the following, however: we do not have the ability to unsubscribe you selectively, and only for particular types of e-mails. The Unsubscribe option is global and permanent. Also: we do not have the capacity, in general, to verify whether or not your e-mail address is Unsubscribed or not. Nor do we have the capacity to re-add your address once it has been Unsubscribed. As a consequence of the above, if you unsubscribe from our e-mails before the start of the program for which you are registered, or during it (as you can do by clicking Unsubscribe on any e-mails from us), you will NOT receive important e-mails we may need to send thereafter regarding student attendance or requirements, procedures, final performances, or last-minute changes to schedules, times or locations. We do try insofar as we can to reach everyone by phone where such changes are required, but we cannot guarantee that we will be able to reach all participants.

Refund policy: Refunds must be requested at least three weeks before the start of camp. Refund amounts are as follows: For summer camps: Until May 15: full refund, less \$ 30 (per registration) processing; Until three weeks before camp: 50% refund. After this date: no refund. For March Break camps: Until Jan 8: 50% refund. After this date: no refund.
